

How to Open a Standard Combination Lock

What's the combination? The combination is found on the back of your lock on a sticker or on a tag attached to the shackle. When entering the combination, enter in the order shown on the sticker or tag. Eg. 25 - 09 - 18

Entering your combination.. Step 1

Turn the dial three times to the right, then stop when the first number lines up with the indicator.

Entering your combination.. Step 2

Turn the dial ONE FULL TURN to the left, passing the first number and stop when second number lines up with indicator.

Entering your combination.. Step 3

Turn the dial to the right and stop when the third number lines up with the indicator.

Entering your combination.. Step 4

Pull up on the shackle or down on the lock to open the lock. Congratulations!! You've opened your lock!
